

ALUMNI NEWSLETTER

What's New?

We're excited to share that your alma mater is thriving with growth, innovation, and renewed spirit! This year, we've unveiled a cutting-edge STEM initiative for all grades, expanded our student leadership opportunities, and are serving more students than ever before. Our unwavering commitment to a Christ-centered education is evident as we launch programs to help students flourish academically and in their faith. Campus life is more vibrant than ever, with newly renovated hallways, classrooms, and athletic fields. A Master's Academy Early Childhood Learning Center opened just 2.5 miles north of the main campus. Our 11-man football team hosts home games ON CAMPUS, we now offer wrestling and E-sports, and our supporters are making a REAL impact. Our school community continues to be shaped by YOUR legacy—and we'd love to welcome you back to see the incredible transformations. Stay connected, because the best is yet to come!

NEWS AND UPDATES FROM ALUMNI

Abigail DeVault (Class of 2023) shares that God has called her to a mission trip to Brazil where she will help build a church in a small town in Aracaju. Please keep Abigail and the team of missionaries she is traveling with in your prayers.

Kevin Lambert (Class of 2012) reports that he is a partner in a commercial real estate company and has been married since 2017. Kevin and his wife are actively involved in the community and their home church, Calvary Chapel of Vero Beach.

Do you have news or updates you would like to share? We would love to hear what you are up to with your education, career, family, or other milestones.

PATRIOT GIVING DAY SEPTEMBER 17, 2025

Support Christ-centered education rooted in the foundational principles of the Bible and the rich legacy of our American heritage.

Constitution Day, Plimoth Plantation Day, and Liberty Day are all legacy celebrations at Master's Academy. This year, we would like to send some of our honors students to attend the Patriot Academy Leadership Congress in Tallahassee to learn about how the government functions first hand. Your gift to the Annual Fund will help make this possible!
