2023-2024 High School Dress Code

Other

All clothing should be clean, in good repair, and not tight fitting.

The dress code is designed to help students understand how to dress modestly and appropriately for the school setting. Presenting oneself modestly indicates respect both for yourself and for others.

If you are uncertain about appropriateness, err on the side of caution; choose something you *know* is acceptable.

Students not in compliance with the dress code will be asked to call their parents to bring appropriate dress during homeroom, as **it is the parents' responsibility to ensure their child is dressed appropriately for school each morning.**

Faculty, staff and administration have the right to determine if dress is appropriate or in violation of the dress code.
