The dress code is designed to help students understand how to dress modestly and appropriately for the school setting. Presenting oneself modestly indicates respect both for yourself and for others.

**If you are uncertain about appropriateness, err on the side of caution; choose something you *know* is acceptable!**

Students not in compliance with the dress code will be asked to call their parents to bring appropriate dress during homeroom, as **it is the parents' responsibility to ensure their child is dressed appropriately for school each morning.**

**Faculty, staff and administration have the right to determine if dress is appropriate or in violation of the dress code.**
