

High School Profile 2022-23

Master's Academy exists to spiritually develop and academically challenge each student to impact the world for Jesus Christ. We are committed to excellence in education, the truth and authority of the scriptures, and a Christ-centered worldview.

*Pursuing Christ:
the Truth and
Light of the World*

The philosophy of Master's Academy is based upon a biblical worldview: that God is the Creator and Sustainer of the universe and the Source and Essence of all goodness and truth. God's Word is our standard; it is central to every subject, activity and relationship of Master's Academy.

Believing that a Biblically governed education will produce students of Christian character, industry, faith and charity, Master's Academy joins with parents and churches in a partnership to inculcate Christian self-government as the foundation for excellence in all of life, "...that in all things (Christ) might have preeminence." (The Holy Bible, Colossians 1:18)

History

As a ministry of Pathway Church (formerly First Church of God), Vero Beach, Florida, Master's Academy hosted the inaugural Kindergarten class of 14 students in 1998. The school now serves students in Pre- school through 12th grade. In June of 2009, Master's Academy graduated its first five seniors and earned K-12 accreditation through the Association of Christian Schools International (ACSI).

Curriculum Overview

Master's Academy emphasizes research and critical thinking across the curriculum to equip students to reason from cause to effect. Assignments require students to reason from principles and to develop and effectively communicate their ideas. Students are prepared to be life-long learners. Our rigorous academic program prepares students to thrive in future academic studies and be well-rounded with strong Christian character, articulate in their faith, self-governed, and displaying servant leadership. Our academic program is augmented by a full complement of activities to nurture spiritual, social, physical, and artistic growth.

Student Profile - Class of 2023

Master's Academy of Vero Beach

1105 58th Avenue

Vero Beach, FL 32966

Phone: (772) 794-4655

www.mastersvb.org

High School Academic Dean:

Kimberly Gillette

k.gillette@mastersvb.org

Head of School:

Dr. Wayne Smith

W.Smith@mastersvb.org

CEB Code: 104260

	Master's Academy	Florida	National
SAT – English/ Reading/Writing*	556	510	529
SAT - Math*	531	473	521
SAT – Total*	1087	983	1050

*Overall average scores as reported by The College Board

High School Admission Requirements:

Students submit an application followed by personal and family interviews and screening for appropriate grade placement. Successful applicants demonstrate a relationship with Christ, a desire to develop Christian character, a willingness to abide by school policies, and an understanding that one's education is dependent upon the individual's effort.

Grading: Grades are calculated on a 4.0 scale. GPA is cumulative. Honors classes earn an additional 1.0 point. A "D" is calculated into the GPA, however it is not a passing grade, is not awarded credit, and does not fulfill the prerequisite for the next class in the course sequence. **Scale: A = 90-100, B = 80-89, C = 70-79, D = 60-69**

Courses Offered

Core Courses:

Algebra I
Algebra II
American History
Cultural Geography
English & Composition I
English & Composition II
English & Composition III
English & Composition IV
Biology
Chemistry
Contemporary Worldviews

English/Literature	4
History/Government	3
Mathematics	4
Science (3 lab courses)	4
Foreign Language	3
Physical Education	1
Fine Arts/Electives	2
Thesis	1
Total Credits	26

General Studies Diploma:

Students taking 2 years of Foreign Language and 3 Science courses (2 labs) will work toward a 24 credit General Studies Diploma.

Programs

Junior Apprenticeship is a guided, one week marketplace or ministry encounter. Students select and research a profession, art, or trade and develop a personal resume prior to applying and interviewing for an apprenticeship. During that week, the student keeps a log/journal, interviews employees, and observes and assists as appropriate. The experience is followed with written reports, evaluations, and thank you notes to apprenticeship hosts. Students gain valuable personal and career insights.

Senior Thesis is the culmination of the high school student's preparation for a lifetime of presenting and defending his or her faith and impacting culture. Each senior demonstrates Christian scholarship as he/she researches, develops, writes, and defends his/her biblical position on a worthy idea before a thesis committee.

National Honor Society academic eligibility begins after 9th grade and requires a minimum GPA of 3.5. The purpose of the NHS is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, to develop character, and to be a light to the world.

Student Government prepares students for leadership and enhances the high school experience by planning and promoting social and service activities for the student body.

Athletics develop sportsmanship, commitment, leadership, character, and discipline. Master's Academy teams participate in FHSAA athletics in:

Baseball (B)	Basketball (B/G)	Cross Country (B/G)	Tackle Football (B)
Tennis (B/G)	Soccer (B/G)	Softball (G)	Volleyball (G)

Master's Academy students excel in academics, the arts, athletics, and service. "Whatever you do, do your work heartily, as for the Lord rather than for men." (Colossians 3:23)
